A UNIQUE OPPORTUNITY

In major cities throughout the country, Recreational Vehicle Shows have long been the industry's staple promotional event, drawing the public in record numbers and providing exhibiting companies with thousands of dollars in direct sales, superb exposure, and a year's worth of solid leads. The Rockland Community College Field House has a large exhibit area, ample FREE parking and allows the exhibitor the freedom to erect his own display. This is the best opportunity to participate in a major Regional RV Show.

SUFFERN, NEW YORK NORTHEAST CROSSROADS

The Rockland Community College Field House is located at 145 College Road in Suffern, N.Y. This is right on the NY/NJ border and near the end of the Garden State Parkway. Only 8 miles from the Tappan Zee Bridge.

NO LABOR RESTRICTIONS

Unlike most other possible show facilities, the Rockland Field House will allow exhibitors to unload their own displays. Management will have an official show decorating firm available for those who wish to rent booth furnishings. This option is solely at the choice of the exhibitor.

SUNY ROCKLAND FIELD HOUSE BEST BUILDING

The Rockland Community College Field House is a 90,000 square foot heated, lighted comfort-controlled building where everyone parks free. There are no pillars or obstructions on the arena floor. Easy access in and out of the building by way of ground level overhead (12' 4" max. height) doors. Exhibitors are all in the same room.
